

POSITION DESCRIPTION

Position Title:	Speech Pathologist (Adult)
Business Unit/Department:	Speech Therapy
Division:	Allied Health
Award/Agreement:	Health Professionals (Vic Public Health Sector) Single Interest EA 2021-2026
Classification:	Grade 2 (VW1 to VW4)
Reports To:	Manager - Speech Pathology & Audiology
Direct Reports:	Grade 1 Speech Pathologists in the delegated area of responsibility
Date Prepared/Updated:	1 March 2023

Position Purpose

The Grade 2 Speech Pathologist, through their clinical experience and skill, will ensure excellence in patient care, implementation and organisation of clinical practices, fostering of staff and student development and active contribution to the Speech Pathology service and multidisciplinary teams.

Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

The Operations Directorate is split into several key work areas through which clinical and supporting programs are delivered. The Executive Director Operations is supported by Directors of the following divisions to deliver the operational agenda and targets set:

- Allied Health
- Clinical Support & Specialist Clinics
- Chronic & Complex Care
- Emergency, Medicine and Access
- Health Support Services
- Perioperative & Critical Care Services
- Cancer, Aged & Continuing Care Services
- Women's & Children's Services

It is the effective working of the teams of people in each of these areas that leads to the successful delivery of patient care and the discharging of our purpose of "Together caring for the West".

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the

community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions, discharge planning and patient centred care. Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including:

- Audiology
- Clinical Psychology and Neuropsychology
- Exercise Physiology
- Language Services
- Nutrition and Dietetics
- Occupational Therapy
- Pastoral Services
- Physiotherapy
- Podiatry
- Social Work
- Speech Pathology

Allied Health in Chronic & Complex Care provide integrated and continuing care by supporting patients discharged from hospital. This care is patient centred and improves patient flow through the tertiary health sector by fostering strong links with the community. A comprehensive range of clinical services are delivered in various locations within the western region including centre based rehabilitation at Sunshine and Williamstown Hospital. Clinical care is also delivered in the patient's home and Residential Aged Care Facilities.

Key Responsibilities

- Demonstrate a commitment to the patient 'Charter of Healthcare Rights'
- Comply with the expected scope of the role and standards of performance in the role as described by the relevant professional bodies/industry standards
- Maintain registration (as required) and report any changes or limitations on practice if applicable
- Hold accountability for own actions and seek guidance and support from appropriate employees when limited by own skills and experience
- Comply with confidentiality obligations with regard to patients, consumers and colleagues
- Comply with all Western Health policies and procedures
- Deliver high quality person centred interprofessional care in line with the "Best Care" framework
- Demonstrate independent clinical reasoning and clinical competencies, including expertise in use of relevant assessment tools, treatment methods, and case management skills
- Demonstrate developed organisational skills and efficient time management to appropriately evaluate, prioritise and complete workload
- Perform evidence based clinical services using a person centred approach in the development of an appropriate treatment plan
- Assist with development and evaluation of procedures and guidelines
- Participate in planning for clinical services for the team
- Identify solutions to problems within the service and seek advice for complex matters
- Participate and represent the service (in consultation with senior staff) at relevant committees, working groups and meetings as requested.
- Provide information and education about the service and professional role within the service
- Attend and participate at relevant team/service meetings
- Where designated, provide high quality clinical supervision to junior staff and students that is timely, flexible and responsible
- Conduct or contribute to feedback to staff on their performance including performance development planning where relevant
- Assist in cultivating an environment where workers have the opportunity to work to their full scope of practice and potential
- Participate in the development, organisation and delivery of education programs for Western Health staff, external service providers and the community

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Participate in research/evaluation and ongoing service review
- Ensure that workload statistics, and other required information is entered in a timely and accurate manner
- Perform other duties as directed
