You will have demonstrated ability to apply initiative while requesting support and guidance from your team as required.</p> <p>Your typical day will include:</p> <ul style="list-style-type: none"> • Assessing and providing interventions to consumers with various psychiatric illnesses • Coordinating medical, psychosocial and legal aspects of care delivery • Engaging with consumers, their family members and other service providers • Development and delivery of evidence-based practice and appropriate treatment options • Working in collaboration with your multi-disciplinary mental health team
Business Unit Overview
<p>Western Health's Mental Health and Wellbeing Service (MH&W) provides a comprehensive range of specialist mental health services to people who reside in the local government areas of Melton, Brimbank and parts of Hume (Sunbury/Bulla). We deliver specialist clinical programs across Adult Community Services, EMH/PARC/CL psychiatry, St Albans Community Care Unit and our Adult Mental Health Rehabilitation Unit and Adult Acute Inpatient Units.</p>

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

The MHWS is situated in a growth corridor where continuous development, service expansion and innovative new programs are on the rise. Central Community team is one of two MH&WS adult mental health programs and responsible for community mental health care of consumers living in the city of Brimbank and parts of Hume (Sunbury, Bulla).

Key Responsibilities

- Assessing and providing interventions to consumers with various psychiatric illnesses
- Capacity to effectively assess and or screen consumer need/ referrals and make clinically informed decisions regarding the appropriate course of action, consulting colleagues/ external services as required.
- Coordinating medical, psychosocial and legal aspects of care delivery
- Engaging with consumers, their family members and other service providers
- Accurate documentation, in a timely manner, of all clinical work as required by WH policy and procedure
- Take reasonable care for your safety and wellbeing and that of others.
- Work in your scope of practice and seek help where required.
- Seek feedback on your work including participation in annual performance discussion.
- Development and delivery of evidence-based practice and appropriate treatment options
- Working in collaboration with your multi-disciplinary mental health team
- Attend weekly clinical review team meetings and participate as an integral member of the multidisciplinary team
- Participate in local KPI achievement (contacts; OM's; R&W plans; 7/7 pre & post contact; 91 day clinical reviews); clinical supervision and community workload management processes
- Work within the Mental Health Act 2014 as required (a new MH&W Act came into place on 1/9/23 at which time staff will be required to have a working understanding of the principles and application to their practice).
- Actively contribute to the team dynamic and culture with potential for additional tasks focusing on broader service development initiatives.
- Continue to learn through mandatory training and other learning activities.
- Seek feedback on your work including participation in annual performance discussion.

About You:

- You are a motivated mental health clinician committed to continued learning and developing your clinical skills.
- You have a passion for caring and making a genuine difference in the lives of public mental health consumers.
- You enjoy being part of a dynamic team and draw on the experience of your colleagues yet are confident to work autonomously.
- You communicate clearly, openly and effectively within internal and external stakeholders in verbal and written form.

Your Experience:

- Experience in working within a team environment and with a range of consumers from varied cultural backgrounds and psychiatric presentations.
- Knowledge of relevant treatment models and interventions for high and low prevalence psychiatric illnesses.
- Comprehensive understanding of legislative and policy directions within the Victorian public mental health services including, but not limited to, the Recovery Framework and the Mental Health Act (2014).
- Skilled in engaging consumers and family members, developing rapport and following up with community linkages/referrals to specialist services.

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
