Position Purpose

The Sunshine Mental Health & Wellbeing Centre (SMH&WC) is a purpose-built facility with two 26 bed units. The grade 2 occupational therapy role will collaborate with the Grade 3 occupational therapist to support the Grade 1 Occupational Therapist. They will work directly with consumers and their family, carers and supporters to provide evidence-based discipline specific assessment and interventions and contribute to the multi-disciplinary team to ensure excellent care and support of consumers. This role works closely with the peer workforce and other disciplines in supporting the activity and participation needs of consumers on the units, including both group and individual intervention approaches.

Business Unit Overview

The Division of Mental Health and Wellbeing Services spans across multiple Western Health sites and within the local community and services consumers across the lifespan.

The Division has recently been established following a key recommendation from the Royal Commission into Victoria's Mental Health System. The Western Health catchment includes the local government municipalities and growth areas of Brimbank, Sunbury, Maribyrnong and Melton.

Our recovery-oriented approach to care is provided by a multidisciplinary workforce comprising skilled clinicians, consumers and carers. These services include hospital based, community and specialist mental health and wellbeing services for adults, older adults, children and adolescents who are experiencing, or are at risk of developing a serious mental illness.

The Division collaborates across a number of Divisions within Western Health and partners with external health services and community services to ensure the provision of Best Care.

The Division aims to innovate and develop services and care options across Western Health to ensure Best Care for the community of Western Melbourne.
