Division:	Aged, General Medicine, and Subacute Services
Award/Agreement:	Medical Specialists (Victorian Public Health Sector) (AMA Victoria/ASMOF) (Single Interest Employers) Enterprise Agreement 2022-2026
Classification:	HN15 – HN59 or HM 33 - HM 41
Reports To:	Clinical Services Director, Head of Unit, Executive Director of Medical Services
Direct Reports:	Junior medical employees
Date Prepared/Updated:	09 April 2024

Position Purpose
The role of the Consultant/Specialist is to provide high quality clinical care to the patients Western Health services, to supervise and train Junior Medical Staff and support Western Health Strategic Priorities.
Business Unit Overview
The The Division of Aged, General Medicine, and Subacute Services delivers high-quality healthcare to patients across various acute and subacute inpatient units, including General Medicine, Acute Aged Care, Geriatric Evaluation Medicine, Rehabilitation, Transition Care, and Residential Aged Care at multiple Western Health locations. This division plays a crucial role in the healthcare continuum, offering acute care in emergency departments and inpatient wards through to subacute care and community support. The clinical teams also offer vital consultation services to all areas of the health service and the community. These services are designed to align with patient-centred goals, focusing on enhancing independence and managing chronic conditions within a framework of shared decision making. With a diverse workforce comprising 650 equivalent full-time positions and an annual operating budget of \$120 million, the Division also ensures timely access to care through its Subacute and Non-acute Assessment and Pathways (SNAP) service, facilitating smooth transitions between care settings for individuals. The Geriatric Medicine Unit is operationally and professionally accountable to the Division and provide medical leadership in their area of specialty across the continuum of care. Services are provided across the following care settings: • Inpatient services include - Acute Aged Care, Orthogeriatrics, Cardiogeriatrics, Geriatric Evaluation and Management, Transition Care, SNAP. • Community services include – Aged Care Liaison, GEM@home, Community Geriatrics

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Specialist Clinics include - Continence, Falls, CDAMS, Wound Management, and Movement Disorders. The Unit has a strong focus on undergraduate and postgraduate education and promotes a close liaison with regional partners.

This diverse group of services is fundamental in promoting an effective and seamless patient journey. The service goals include:

- To provide high quality and safe care
- To involve the patient in their care and provide a positive patient experience
- To enable people to achieve their best health outcomes
- To minimise long term care needs
- To support people requiring end-of-life care
- To improve patient flow by supporting clinically appropriate and timely transfer and where possible through direct admissions to subacute inpatient services

The care we deliver is underpinned by the following principles:

- Place the patient and their family at the centre of their care
- Ensure care is based on the best available evidence
- Embed an inter-professional approach to care
- Deliver care in the most appropriate setting
- Coordinate and integrate care across all settings
- Promote health independence and positive ageing
- Facilitate Advance Care Planning
- Support end-of-life care where clinically indicated

The Division will continue to innovate and develop services and treatment groups across the Western Health campuses to ensure Best Care for the community of Western Melbourne.

Key Responsibilities

- Assume responsibility for quality patient care in accordance with the care model of the ward/unit, ensuring that clinical procedures are performed in accordance with Western Health policy and procedure
