

POSITION DESCRIPTION

Position Title:	Administrator
Business Unit/Department:	Adult Specialist Clinics
Division:	Clinical Support & Specialist Clinics
Award/Agreement:	Health & Allied Services, Managers & Administrative Workers (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2021 - 2025
Classification:	Grade 1 (HS1)
Reports To:	Administrative Team Leaders
Direct Reports:	Nil
Date Prepared/Updated:	13 July 2021

Position Purpose
The Specialist Clinic Administrator is responsible for the clerical and receptionist duties within the Outpatient Department. In the course of their duties, the Administrator liaises with nursing, medical and ancillary staff, hospital departments, patients, other health care providers and members of the public.
Business Unit Overview
The Adult Specialist Clinics at Western Health provide expert review and management for patients requiring consultation by specialist clinicians. The Specialist Clinic setting acts as a conduit for patients accessing services at Western Health and provides care and ongoing management and ensures referral and communication pathways are in place to optimize the patient journey. Service delivery is provided across the patient continuum of care by the Specialist Clinics Nursing and Administration Teams. The objective of the Specialist Clinics coordinated team approach is to improve patient access and processes - in essence this equates to "right patient, right clinic, right time".
Key Responsibilities
<ul style="list-style-type: none"> • Administrative duties as directed by Administrative team leaders as per Departmental requirements • Registration of new patients and updating of existing patient details • Ensure patient and referrer receive correspondence in relation to new referrals and appointments • Communicate and liaise with patients as required • Monitor of clinic template capacity in response to planned/unplanned leave • Actualise planned appointments • Participate in regular audits to ensure accurate data entry and collection • Maintain confidentiality of both written and electronic patient information • Obtain and confirm patient Medicare numbers via the PRODA website • Discharge of patients and correspondence to patients and referrer

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Rebooking of patient appointments as required
- Function in accordance with Western Hospital policies and procedures
- Practise within the limitations of your role and responsibilities
- Demonstrate a commitment to the patient 'Charter of Healthcare Rights'
- Comply with the expected standards of performance in the role as described by the relevant professional bodies/industry standards
- Hold accountability for own actions and seek guidance and support from appropriate employees when limited by own skills and experience
- Display the Western Health values when carrying out duties and in dealing with patients, consumers and colleagues
- Participate in annual performance development planning and reviews to identify learning and development needs and progress towards achievement
- Act in accordance with the Code of Conduct
- Ensure any risks and adverse events are reported appropriately and promptly and prevention strategies are implemented to ensure the safety of all patients and consumers
- Complete orientation and training
- Refer to Specialist Clinics work manuals for up to date information for clerical staff.
- Maintain a professional standard of performance required and expected of the clerical role.
- Maintain ongoing training to ensure accurate provision and maintenance of VINAH data requirements and reporting
- Participate in continuing education to maintain knowledge and skills
- Seek out available resources when confronted with an unfamiliar situation.
- Work collaboratively to achieve desired outcomes for the organisation
- Ensure relationships with colleagues, patients and consumers are professional and ethical and that cultural differences are respected
- Ensure an excellent standard of service is offered by partnering with patients, consumers and the community at all levels of health care provision, planning and evaluation
- Model the behaviours and actions outlined in the Western Health vision for Best Care
- Form partnerships with patients and carers
- Work with other employees, departments, services and consumers to develop, implement and evaluate local initiatives to contribute to the organisational best care objectives
- Make the achievement of Best Care a priority and pursue it by actively participating in organisational processes, safety systems and improvement initiatives
- Be trained in the roles and services for which they are accountable
- Understand their broad responsibility for safety and quality in health care
- Follow safety and quality procedures
- Participate in the review of care procedures individually or as part of a team
- Be proactive about identifying and addressing issues that interfere with patients receiving Best Care
- Support and enable peers to create Best Care
- Work across all administrative areas as per operational needs of ASC
- Work relevant shifts as per operational needs
- Undergo periodic training assessment and be retrained if needed

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
