

POSITION DESCRIPTION

Position Title:	Allied Health Grade 1 Professional- Physiotherapist (Casual)
Business Unit/Department:	Allied Health
Division:	Operations
Award/Agreement:	ALLIED HEALTH PROFESSIONALS (VICTORIAN PUBLIC SECTOR) (SINGLE INTEREST EMPLOYERS) ENTERPRISE AGREEMENT
Classification:	VA3-AF13
Reports To:	Allied Health Manager - Physiotherapy and Exercise Physiology Grade 4 Physiotherapists Senior Clinician Physiotherapist
Direct Reports:	N/A
Date Prepared/Updated:	25 February 2026

Position Purpose

The Grade 1 Physiotherapist (Casual) provides best care to patients and clients by effectively using their clinical skills; communication and interpersonal skills; commitment to learning; and collaboration with the multidisciplinary team. The Grade 1 Physiotherapist is expected to consult an experienced clinician in unfamiliar situations or when problems arise; work flexibly; and participate in regular supervision and professional development.

The Grade 1 Physiotherapist (Casual) is required to attend onsite orientation and training sessions and remain up to date with mandatory training and annual performance development planning. The Grade 1 Physiotherapist (Casual) adheres to the requirements of the Grade 1 Physiotherapist (Casual) Duty Statement in their area of work.

This position can involve work across a variety of clinical areas and sites at Western Health.

Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions, discharge planning and patient centred care. Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including:

- Audiology
- Clinical Psychology and Neuropsychology
- Exercise Physiology
- Language Services
- Nutrition and Dietetics
- Occupational Therapy
- Pastoral Services
- Physiotherapy
- Podiatry
- Social Work
- Speech Pathology

Key Responsibilities

- Demonstrate a commitment to the patient 'Charter of Healthcare Rights'
- Comply with the expected scope of the role and standards of performance in the role as described by the relevant professional bodies/industry standards
- Maintain registration (as required) and report any changes or limitations on practice if applicable
- Comply with all Western Health policies and procedures
- Deliver high quality person centred interprofessional care in line with the "Best Care" framework
- Ensure that workload statistics, and other required information is entered in a timely and accurate manner as per organisational requirements
- Participate in research/evaluation
- Contribute to the evaluation of guidelines in immediate work area
- Plan, prepare, perform and deliver effective and individualised assessment and interventions, demonstrating clinical reasoning and core clinical competencies, including use of relevant assessment tools, treatment methods, and case management skills
- Perform evidence based clinical services using a person centred approach
- Demonstrate organisational skills and efficient time management to appropriately evaluate, prioritise and complete workload
- Attend and participate at relevant team/service meetings in relation to patient care
- Demonstrate open and effective communication (verbal, non-verbal, written and electronic) with consumers, other staff and service providers
- Have a clear understanding of the service and professional role within the service
- Participate in relevant committees, working groups and meetings as requested
- Demonstrate knowledge of resources relevant to work area
- Contribute to a culture that promotes effective teamwork, encourages cohesion and ensures staff feel valued and contributions are acknowledged
- Hold accountability for own actions and seek guidance and support from appropriate employees when limited by own skills and experience
- Comply with confidentiality obligations with regard to patients, consumers and colleagues
- Participate in learning that will enhance personal knowledge and continuing professional development
- Consult with senior staff when dealing with difficult situations
- Demonstrate ability to identify a problem within a service and take it to a higher level for resolution
- Where designated, take a support role in student education that is timely, flexible and responsible

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment
