

POSITION DESCRIPTION

Position Title:	Welfare Worker
Business Unit/Department:	Drug Health Services – AOD Residential Units
Division:	Operations Directorate
Award/Agreement:	ALLIED HEALTH PROFESSIONALS (VICTORIAN PUBLIC SECTOR) (SINGLE INTEREST EMPLOYERS) ENTERPRISE AGREEMENT 2021 – 2026
Classification:	Welfare Worker Class 2, Year 1-7;
Reports To:	Nurse Unit Manager, Team Leader, Associate Nurse Unit Managers
Direct Reports:	N/A
Date Prepared/Updated:	14 February 2024

Position Purpose
<p>Residential Unit AOD Clinicians assist with providing high quality, evidence based and client centred care to the residents of Drug Health Services’ AOD residential units.</p> <p>AOD Clinicians work closely with other members of the multidisciplinary team to facilitate and undertake client assessments, admissions, discharge planning, case management, therapeutic interventions including counselling, withdrawal support and therapeutic group activities for clients in accordance with their care plans.</p> <p>This critical role operates across all hours of the service operation via a 24/7 rotating roster.</p>
Business Unit Overview
<p>Western Health’s Drug Health Services is one of the most diverse specialist agencies in Victoria for the management of substance use, providing a range of residential and non-residential community and hospital-based alcohol and other drug treatment programs.</p> <p>The service caters to people across the development lifespan, with youth and adult programs, as well as specialist programs for women and for people with co-morbid AOD and mental health care needs. As well as community AOD programs, we offer Addiction Medicine Services to the community and within the Western Health hospital in-patient network.</p> <p>The service is committed to harm reduction as a guiding principle of practice, enabling clients to determine the pace and type of change they are seeking. This takes place within a robust governance environment, where treatment options are evidence-based and matched to presenting need.</p> <p>Drug Health Services includes two residential services; the Community Residential Withdrawal Service and Westside Lodge Dual Diagnosis Rehabilitation Centre (DDRC).</p>

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- The Community Residential Withdrawal Service (Footscray campus) provides a short-term residential program to individuals who are affected by substance use. The primary focus of the service is to provide residential based substance withdrawal and stabilisation. The program includes medium level medical and pharmacological treatment, along with psychosocial support, health education and recreational activities in a safe environment.
- Westside Lodge DDRC (Sunshine campus) provides a supportive and safe in-patient environment over a period of three months, for people aged 18 years and over requiring a client centred, recovery oriented dual diagnosis residential rehabilitation program. The therapeutic and educational program offered will support and promote positive lifestyle choices. The AOD Clinician is an integral member of the multidisciplinary team, providing both 1:1 and group interventions and support.

The Residential Unit AOD Clinicians may be required to provide support to clients across both residential units, however this role will be primarily based at Westside Lodge DDRC.

Key Responsibilities

Leadership

- Adhere to relevant professional guidelines, clinical guidelines and local models of care.
- Communicate information and expectations clearly and concisely in a way that builds effective and collaborative working relationships with others.
- Take accountability of own actions and actions of others under direction and sphere of responsibility.
- Maintain a professional demeanour and role model behaviours consistent with the professional Code of Conduct and organisational values.
- Lead by example and motivate staff to strive for excellence.
- Demonstrate initiative in supporting early career and less experienced staff.
- Exhibit a high level of emotional self-control and flexibility in complex, changing, and/or ambiguous situations and when confronted with challenges.
- Foster and maintain relationships with appropriate internal and external stakeholders.
- Contribute to a culture that promotes effective teamwork, encourages cohesion and ensures staff feel valued and contributions are acknowledged.

Research

- Use evidence to support improvements in consumer care and practice.
- Identify, implement and support ways to improve practice and outcomes.
- Promote evidence-based practice and share findings at internal and external forums.
- Participate in quality and research projects as appropriate.

Evidence Based Practice

- Using evidence-based practice, participate in evaluation of the progress of individuals and groups towards expected outcomes and reformulation of care plans.
- Be familiar with all local and organisational policies, procedures and guidelines.
- Participate and contribute to improvement of policies, procedures and protocols and identify areas of improvement in practice.
- Contribute to adverse event investigations, and undertake individual and team-based reflective practice.
- Participate in new initiatives to enhance consumer outcomes and experience, or staff employment outcomes and experience.
- Act to ensure safety by managing clinical risk and intervene, as necessary, to achieve optimal outcomes for consumers and teams.
- Contribute to routine data collection and report writing for funding bodies as required or requested.

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Be aware of Western Health’s Strategic Priorities, and ensure activities align with these priorities.

Education and Learning

- Participate in ongoing learning opportunities.
- Contribute to the updating of educational information provided to consumers and their support networks.
- Support new staff orientation processes.
- Provide timely informal and formal feedback to students, early career and novice staff.
- Exchange and share information with colleagues via informal or formal forums such as huddles, in-services, presentations, education forums and team meetings.

Clinical Expertise

- Provide high quality, evidence based and client centred care, in line with the ‘Best Care’ Framework, to residential unit consumers and their support networks.
- Demonstrate a commitment to the ‘Charter of Healthcare Rights’.
- Within a supportive and therapeutic framework, provide feedback to consumers on their behaviours and, where required, outline problematic behaviour/develop an agreed plan of action with client.
- Utilise de-escalation and redirection skills to assist consumers in managing emotional wellbeing.
- Contribute to development and/or implementation of individual treatment plans (ITPs)
- Review and adjust ITPs to support consumers to achieve treatment goals
- Contribute to the Multi-Disciplinary Team (MDT) meetings and other case conferences and communicate any issues / concerns / successes / recommendations regarding consumer presentation / behaviour and participation in the program.
- Assess the clinical, non-clinical and social needs, including the identification of ‘at risk’ consumers and record with appropriate and accurate documentation in the consumers history and care plan and implement consumer specific risk minimisation strategies.
- Demonstrate accountability and responsibility for care delivered.
- Recognise changes in consumers’ condition and take necessary action including reporting and escalation seeking appropriate assistance.
- Accurately reflect the consumers requirements, outcomes or events within prescribed Western Health documentation, ensuring all legal requirements are met in accordance with Western Health policies and procedures.
- Effectively develop discharge plans that reflect the needs of consumers and their significant others and demonstrates an understanding of the role of community providers.
- Assist in supervision and/or provision of the group meal program when required.
- Be familiar with legislation relevant to the service (e.g., Severe Substance Dependence Treatment Act 2010; Mental Health Act 2014; Health Information Act; Health Records Act).
- Perform other duties as required.

In addition to the key responsibilities specific to your role, you are required to deliver on the [WH AH Capability Framework](#) and the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
