

POSITION DESCRIPTION

Position Title:	Paediatric Speech Pathologist – Pathway to Good Health
Business Unit/Department:	MH Paediatric Community Health
Division:	Integrated Community Health Services
Award/Agreement:	Allied Health Professionals (Victorian Public Sector) Enterprise Agreement
Classification:	Grade 2 - Year 1 to Year 4 (VW1 to VW4)
Reports To:	Team Leader Pathways to Good Health Manager Community Health Paediatrics
Direct Reports:	Nil
Date Prepared/Updated:	25 February 2026

Position Purpose
<p>Children and Young People in Out of Home Care (OOHC) experience higher rates of developmental delays, poorer physical and mental health outcomes, and significant unidentified and unmet health needs. Through the implementation of the <i>National Clinical Assessment Framework for Children and Young People in OOHC</i> and the <i>Targeted health support for children and young people in care: service framework</i> Western Health's Pathway to Good Health program will collaborate with key stakeholders to address these health inequities utilising trauma informed, culturally safe and evidence-based approaches that centre around the needs of the child.</p> <p>The Speech Pathologist Pathway to Good Health is Co-located at VACCA Werribee but will work across a range of settings to promote positive health outcomes for children in Out of Home Care. They have responsibility for Assessments and health care planning, secondary consultation, multi-disciplinary or transdisciplinary work, and case reviews</p>
Business Unit Overview
<p>Integrated Community Health Service Directorate</p> <p>The Integrated Community Health Services Directorate at Western Health focuses on delivering high quality evidence-based care to those residing in the Brimbank Melton and Western Melbourne regions across a variety of clinical settings. Services are provided across acute (medical surgical and maternity unit), outpatient services (Paediatric and Adult), outpatient rehabilitation, community health settings (Paediatric and Adult), residential care services, health promotion, community partnerships.</p> <p>The Integrated Community Health Service delivers preventative, early intervention and chronic disease management. Services operate on the social model of health and with a focus on:</p> <ul style="list-style-type: none"> • Equity and accessibility

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Effective community participation/control
- Multidisciplinary team work
- Strategies beyond individual care (group work, health promotion, community development)

Services within this directorate include:

- Adult Allied Health
- Paediatric Allied Health
- Community Health Nursing
- Community Nursing
- Dental
- Counselling
- Family Violence services
- Aboriginal Health Programs
- NDIS (National Disability Insurance Scheme) Therapeutic Supports

Staff model the Western Health values of CARES (Compassion, Accountability, Respect, Excellence and Safety).

Division of Allied Health – Professional / Clinical

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions, discharge planning and patient centred care.

Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including Audiology, Clinical Psychology and Neuropsychology, Exercise Physiology, Language Services, Nutrition and Dietetics, Occupational Therapy, Pastoral Services, Physiotherapy, Podiatry, Social Work and Speech Pathology.

Key Responsibilities
