

## POSITION DESCRIPTION

<b>Position Title:</b>	Registered Nurse – Community
<b>Business Unit/Department:</b>	Community Nursing
<b>Division:</b>	Integrated Community Health Services
<b>Award/Agreement:</b>	Nurses & Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement
<b>Classification:</b>	Community Health Nurse: Grade 3B (ZJ1)
<b>Reports To:</b>	Manager – Community Programs via the Nurse Unit Manager (NUM) – Community Nursing
<b>Direct Reports:</b>	N/A
<b>Date Prepared/Updated:</b>	6 January 2025

### Position Purpose

As a member of the health care team, the Registered Nurse is at the forefront of the provision of high-quality nursing care to consumers on a day-to-day basis.

As a healthcare professional, the Registered Nurse is accountable for:

- The maintenance of their own clinical knowledge, further education and working within the confines of their specific scope of practice at all times, in accordance with the boundaries set by their experience and skill.
- Ensuring that they are registered to work as a Registered Nurse in Australia at all times whilst working as a nurse within Western Health and practice in alignment with Nursing & Midwifery Board of Australia (NMBA) Registered Nurse Standards for Practice.

The role of the Registered Nurse, working within a multidisciplinary team, incorporates the following activities: unsupervised clinical practice, coordination of care, counselling, health promotion and teaching, consumer advocacy, collaborative consumer and unit management, research, supervision and mentorship/preceptorship, interaction/liaison with multidisciplinary team, accurate and timely documentation.

The Registered Nurse will contribute to providing quality health and well-being services for our consumers demonstrating novice to expert behaviours across the five domains of leadership, research, evidence-based practice, education & learning and clinical expertise as identified in the Western Health Nursing and Midwifery Professional Practice Framework.

### Business Unit Overview

## Our Vision

**Together, we deliver the healthcare of the future.**

*Providing the Best Care for the people of the West, in the right place and at the right time.*

The Integrated Community Health Services Directorate at Western Health focuses on delivering high quality care to those residing in the City of Melton and Moorabool Shire across a variety of clinical settings. Services are provided across acute (medical surgical and maternity unit), outpatient services (Paediatric and Adult), outpatient rehabilitation, community health settings (Paediatric and Adult), residential care services and support services including Intake for Bacchus Marsh, Melton and Caroline Springs campuses.

The Integrated Community Health Services Directorate has a strong focus on multidisciplinary care with services being provided in both an individual format and group-based interventions. Staff model the Western Health values.

Services within this directorate include:

- Adult Allied Health
- Paediatric Allied Health
- Community Health Nursing
- Community Nursing
- Perpetrator Men's Family Violence
- Aboriginal Programs
- Outpatient NDIS (National Disability Insurance Scheme) Therapeutic Supports
- Dental Services

Within the Integrated Community Health Services directorate, there are multiple different programs to support a patient's and client's journey and build their independence in the community. This includes a variety of public and private based programs.

## Key Responsibilities

### Leadership

- Work collaboratively within the nursing team model of care using delegation, supervision, coordination, consultation and referrals.
- Take accountability for own actions and others under direction and sphere of responsibility.
- Role model behaviours consistent with the professional Code of Conduct and organisational values and challenge others when their behaviour does not meet expectations.
- Lead by example and motivate staff to strive for excellence.
- Demonstrate initiative in supporting early career and less experienced staff.
- Contribute to peer feedback and engage in appraisals for early career staff, as directed by your manager.
- Work within and towards the Nursing and Midwifery Workforce Plan.

### Research

- Use evidence to support improvement to consumer care and practice.
- Be curious about ways to improve practice and outcomes.
- Promote evidence-based practice and share findings at internal and external forums.
- Participate in quality and research projects as appropriate.

### Evidence Based Practice

- Using evidence-based practice, participate in evaluation of the progress of individuals and groups towards expected outcomes and reformulation of care plans.
- Be familiar with local and organisational policies, procedures and guidelines.
- Contribute to adverse event investigations, and undertake individual and team-based reflective practice.
- Participate and contribute to improvement of policies, procedures and protocols and identify areas of improvement in nursing practice.

## Our Vision

Together, we deliver the healthcare of the future.

*Providing the Best Care for the people of the West, in the right place and at the right time.*

- Participate in new initiatives to enhance consumer outcomes and experience, or staff employment outcomes and experience.
- Act to ensure safety by managing clinical risk and intervene, as necessary, to achieve optimal outcomes for patients/consumers and teams.
- Be aware of Western Health's Strategic Priorities, and ensure activities align with these priorities.

### Education & Learning

- Participate in ongoing learning opportunities.
- Contribute to the updating of educational information provided to patients and consumers, and their families and carers.
- Support new staff through the orientation buddy role or formal preceptorship.
- Showcase work and improvement activities.
- Provide timely informal and formal feedback to students, early career and novice staff .
- Exchange and share information with colleagues via informal or formal forums such as huddles, inservices, presentations, education forums, team meetings.

### Clinical Expertise

- Work within a wellness and re-ablement framework to promote client self-management and independence.
- Assess the clinical, non-clinical and social needs, including the identification of 'at risk' consumers and record with appropriate and accurate documentation in the consumers history and care plan and implement consumer specific risk minimisation strategies.
- Demonstrate accountability and responsibility for care delivered.
- Recognise changes in consumers' condition and take necessary action including reporting and escalation seeking appropriate assistance.
- Accurately reflect the consumers requirements, outcomes or events within prescribed Western Health documentation, ensuring all legal requirements are met in regards to legibility of content and identity of reporter in accordance with Western Health policies and procedures.
- Effectively develop discharge plans that reflect the needs of consumers and their significant others and demonstrates an understanding of the role of community providers.
- Ensure completion of timely and accurate service activity reporting as per program funding and performance requirements.
- Participate in the planning and implementation of activities to enhance health care quality and safety
- Role model best practice and reference latest research.
- Identify clinical practice improvement opportunities and discuss with your manager
- Perform other nursing duties as required.

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
