

POSITION DESCRIPTION

Position Title:	Advanced Training Fellowship Diagnostic Radiology
Business Unit/Department:	Medical Services & Medical Imaging
Division:	Clinical Support and Specialist Clinics
Award/Agreement:	Victoria Public Health Sector - Doctors in Training Enterprise Agreement 2022-2026 (AMA Victoria)
Classification:	HM29 – HM30
Reports To:	Chief Medical Officer Clinical Director of Medical Imaging
Direct Reports:	N/A
Date Prepared/Updated:	30/03/2026

Position Purpose

The role of the Fellow is to provide radiological diagnosis and clinical management of patients and undertake administrative duties for the Unit under the supervision and direction of the Department Head of Unit and Director of Radiology Training or Consultant Staff.

Business Unit Overview

Western Health Medical Imaging (WHMI) provides state of the art comprehensive Diagnostic and Interventional Radiology services to one of the most culturally dynamic and rapidly expanding growth corridors in Australia. WHMI currently performs approximately 200,000 Medical Imaging examinations per annum. WHMI is committed to excellence in clinical diagnosis and patient care. It draws on the medical expertise of a highly experienced and committed team of Consultant Radiologists and Medical Imaging professionals.

WHMI operates across 4 of the 5 Western Health campuses located at; Footscray Hospital, Sunshine Hospital, Williamstown Hospital and Sunbury Community Hospital. WHMI Medical Imaging services include Computer Tomography (CT), Fluoroscopy, Magnetic Resonance Imaging (MRI), Nuclear Medicine, Mammography, Interventional Radiology, Ultrasound and Digital X-ray.

WHMI is a level A fully accredited training site of the Royal Australian and New Zealand College of Radiologists (RANZCR) and holds DIAS accreditation with the National Association of Testing Authorities (NATA). It is a leading provider in education, training and research. WHMI provides Clinical consultation and support to our internal and external referrers and is committed to a focus on quality and dependability.

Our comprehensive digital imaging service and dedication to putting the needs of our patients first, make WHMI one of the leading and fastest growing Medical Imaging services in Victoria.

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

Key Responsibilities

- Work under the supervision and support of the Head of Unit or Receiving Consultant to further develop general clinical and decision-making skills
- Perform unit duties as delegated by the Unit Head or Receiving Consultant in accordance with Western Health policies and procedures and relevant legislation
- Ensure notification to the appropriate consultant of patients referred to the Department, and provision of initial assessment of referred patients
- Ensure quality patient care via clinical assessment, admissions and development of management plans
- Provide day to day clinical management of patients
- Assume responsibility for patient care in accordance with the care model of the ward/unit, ensuring that required clinical procedures are performed with appropriate training and supervision
- Initiate and provide interpretation of clinical investigations
- Accurately reflect the patient's requirements, outcomes or events within prescribed Western Health documentation, ensuring all legal requirements are met in regards to legibility of content and identity of reporter in accordance with Western Health policies and procedures
- Participate in the development of discharge plans that reflects the needs of patients and their significant others and demonstrates understanding of the role of community providers. Assume responsibility for communication with community providers and other referrers
- Provide supervision for the clinical activities of the junior medical staff on the unit, according to the level of experience of the individual
- Provide clinical handovers where appropriate
- Ensure own health and well-being and seek assistance if impairment in physical or mental health is impacting on job performance
- Work collaboratively and respectfully with multi-disciplinary team members to achieve desired outcomes for patients through effective communication and attendance and participation in unit and site clinical meetings
- Exchange and share information from participation in seminars and conferences with colleagues via in-services, presentations, education forums, team meetings, etc.
- Demonstrate a caring and empathetic approach towards patients at all times
- Participate and contribute to improvement of policies, procedures and protocols and identify areas of improvement in clinical practice
- Undertake ongoing self-directed learning by participation in continuing education activities and attendance at clinical meetings, including any mandatory training programs
- Assist in collection of data for audit purposes, and participate in research activities undertaken within the unit where required
- Coordinate and participate in the teaching of junior doctors and medical students
- Perform other duties as delegated by the Unit Head

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
