

POSITION DESCRIPTION

Position Title:	Registered Nurse
Business Unit/Department:	Public Fertility Care Service
Division:	Women's & Children's
Award/Agreement:	Nurses and Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement
Classification:	Grade 2 Year 2 – Year 8 (RN/M 2-8)
Reports To:	Nurse Unit Manager or Nurse in Charge
Direct Reports:	N/A
Date Prepared/Updated:	4 December 2024

Position Purpose

As a member of the health care team, the Registered Nurse is at the forefront of the provision of high quality nursing care to consumers on a day-to-day basis.

As a healthcare professional, the Registered Nurse is accountable for :

- The maintenance of their own clinical knowledge, further education and working within the confines of their specific scope of practice at all times, in accordance with the boundaries set by their experience and skill
- Ensuring that they are registered to work as a Registered Nurse in Australia at all times whilst working as a nurse within Western Health and practice in alignment with Nursing & Midwifery Board of Australia (NMBA) Registered Nurse Standards for Practice

The role of the Registered Nurse, working within a multidisciplinary team, incorporates the following activities: unsupervised clinical practice, coordination of care, counselling, health promotion and teaching, consumer advocacy, collaborative consumer and unit management, research, supervision and mentorship/preceptorship, interaction/liaison with multidisciplinary team, accurate and timely documentation.

The Registered Nurse will contribute to providing quality health and well-being services for our consumers demonstrating novice to expert behaviours across the five domains of leadership, research, evidence-based practice, education & learning and clinical expertise as identified in the Western Health Nursing and Midwifery Professional Practice Framework.

Business Unit Overview

Western Health is excited to partner with The Women's Hospital to establish a Public Fertility Services (PFS) for Victorians. This service is funded by the Department of Health in the 2021/2022 budget. The new Public fertility Service aims to improve access to people who cannot access private services, such as:

Our Vision

**Together, we deliver the healthcare of the future.
Providing the Best Care for the people of the West, in the right place and at the right time.**

- Low- income earners living in outer metropolitan Melbourne and regional Victoria
- People who need donor or surrogacy services, such as LGBTIQ+ and single people
- People who need fertility preservation due to medical treatment, such as people with cancer and people undergoing gender reassignment treatment
- People who need testing for monogenic conditions.

The service will be based in the Joan Kirner building at Sunshine Hospital and is one of 9 tier 1 sites in Victoria. As a tier 1 site our role is to provide infertility assessment clinics, IVF cycle management, pathology services, ultrasound capability and pregnancy testing.

Key Responsibilities

Leadership

- Work collaboratively within the nursing team model of care using delegation, supervision, coordination, consultation and referrals
- Take accountability for own actions and others under direction and sphere of responsibility
- Role model behaviours consistent with the professional Code of Conduct and organisational values and challenge others when their behaviour does not meet expectations
- Lead by example, and motivate staff to strive for excellence
- Demonstrate initiative in supporting early career and less experienced staff
- Contribute to peer feedback and engage in appraisals for early career staff, as directed by your manager
- Work within and towards the Nursing and Midwifery Workforce Plan

Research

- Use evidence to support improvement to consumer care and practice
- Be curious about ways to improve practice and outcomes
- Promote evidence based practice and share findings at internal and external forums
- Participate in quality and research projects as appropriate

Evidence Based practice

- Using evidence-based practice, participate in evaluation of the progress of individuals and groups towards expected outcomes and reformulation of care plans.
- Be familiar with local and organisational policies, procedures and guidelines
- Contribute to adverse event investigations, and undertake individual and team-based reflective practice
- Participate and contribute to improvement of policies, procedures and protocols and identify areas of improvement in nursing practice
- Participate in new initiatives to enhance consumer outcomes and experience, or staff employment outcomes and experience
- Act to ensure safety by managing clinical risk and intervene, as necessary, to achieve optimal outcomes for patients/consumers and teams
- Be aware of Western Health's Strategic Priorities, and ensure activities align with these priorities

Education & Learning

- Participate in ongoing learning opportunities
- Contribute to the updating of educational information provided to patients and consumers, and their families and carers
- Support new staff through the orientation buddy role or formal preceptorship
- Showcase work and improvement activities

Our Vision

Together, we deliver the healthcare of the future.

Providing the Best Care for the people of the West, in the right place and at the right time.

- Provide timely informal and formal feedback to students, early career and novice staff
- Exchange and share information with colleagues via informal or formal forums such as huddles, in-services, presentations, education forums, team meetings.

Clinical expertise

- Assess the clinical, non-clinical and social needs, including the identification of 'at risk' consumers and record with appropriate and accurate documentation in the consumers history and care plan and implement consumer specific risk minimisation strategies
- Demonstrate accountability and responsibility for care delivered
- Recognise changes in consumers' condition and take necessary action including reporting and escalation seeking appropriate assistance
- Accurately reflect the consumers requirements, outcomes or events within prescribed Western Health documentation, ensuring all legal requirements are met in regards to legibility of content and identity of reporter in accordance with Western Health policies and procedures
- Effectively develop discharge plans that reflect the needs of consumers and their significant others and demonstrates an understanding of the role of community providers
- Role model best practice and reference latest research
- Identify clinical practice improvement opportunities and discuss with your manager
- Perform other nursing duties as required

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.

Key Working Relationships

Internal:

- Divisional Director
- Operations Manager
- Director of Nursing
- Nurse Unit Manager
- Associate Nurse Unit Managers
- Other nursing staff
- Allied health
- Unit medical officers

External:

- Consumers, families and others as required

Selection Criteria

Essential

- Current registration as a Registered Nurse with AHPRA
- Experience as a Registered Nurse in an acute hospital setting
- Possess excellent clinical skills
- Demonstrate effective organisational skills, particularly with respect to time management, delegation and supervision
- Have well developed written and verbal communication skills
- Have highly developed interpersonal skills
- Demonstrate an ability to practice collaboratively as part of a multi-disciplinary health care team
- Demonstrate evidence of undertaking professional development activities to maintain and enhance nursing expertise
- A commitment to high quality, safe and person-centred care

Desirable

Our Vision

Together, we deliver the healthcare of the future.

Providing the Best Care for the people of the West, in the right place and at the right time.

- Specialty practice experience
- Post graduate qualifications relevant to area of practice
