|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Position Purpose |
| <p>This is an opportunity to work with a welcoming, supportive team that values your expertise and commitment to mental health care.</p> <p>Clinicians hold the key clinician role for a designated group of consumers, providing recovery-focused, person-centred care in collaboration with the broader treating team. The service aligns with a recovery approach, and clinicians will use these principles to coordinate care that is responsive to the individual needs of consumers.</p> <p>The role involves a combination of administrative tasks and direct clinical work, requiring strong time management and organisational skills.</p> |
| Business Unit Overview |
| <p>Western Health's Mental Health and Wellbeing Service (MH&WS) provides a comprehensive range of specialist mental health services to people who reside in the local government areas of Melton, Brimbank and parts of Hume (Sunbury/Bulla) and Maribyrnong. We deliver specialist clinical programs across Adult and Aged Community Services, EMH/PARC/CL psychiatry, St Albans Community Care Unit, our Adult Mental Health Rehabilitation Unit and Adult and Aged Acute Inpatient Unit.</p> <p>The MH&W service is situated in a growth corridor where continuous development, service expansion and</p> |

Our Vision

Patients – Employees – Community – Environment

innovative new programs are on the rise. Outer Community team is one of the MH&W adult mental health programs and responsible for community mental health care of consumers living in the city of Melton and some suburbs of Brimbank.

Key Responsibilities

Clinical Care

- Deliver person-centred, recovery-oriented care within scope of practice
- Conduct comprehensive assessments, formulate care plans, and provide interventions in partnership with consumers, carers, and the treating team
- Respond to acute mental health crises and participate in urgent assessments
- Prepare transition/discharge plans with input from the multidisciplinary team
- Monitor consumer wellbeing and clinical risk

Coordination & Communication

- Act as the primary contact and advocate for assigned consumers
- Coordinate care across internal programs and external services
- Collaborate with carers, families, and community providers to support recovery goals

Documentation & Systems

- Maintain accurate clinical records using electronic systems
- Ensure documentation meets legal and organisational standards

Professional Development

- Engage in supervision, team discussions, and training activities
- Participate in performance reviews and seek feedback for growth
- Contribute to service improvement activities and team-based portfolios

Please note that duties and responsibilities may be adjusted from time to time to meet team and service needs, as directed by the manager.

About You:

You are a motivated mental health clinician committed to learning and reflective practice. You enjoy working in a dynamic, supportive team while maintaining autonomy in your caseload. You communicate clearly and effectively, and bring a compassionate and culturally sensitive approach to care.

Your Experience:

- Minimum 2 years' experience working in mental health settings, ideally in community mental health
- Experience working with diverse consumer groups and complex mental health presentations
- Knowledge of relevant treatment models for high and low prevalence mental illnesses
- Understanding of the Recovery Framework and the Mental Health and Wellbeing Act 2022
- Ability to develop rapport, engage consumers and carers, and coordinate referrals

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
