

POSITION DESCRIPTION

Position Title:	Sessional General Practitioner (GP) Women's Health
Business Unit/Department:	Obstetrics & Gynaecology
Division:	Joan Kirner, Women's & Children's Services
Award/Agreement:	Determined on qualifications and experience.
Reports To:	Reproductive Choices Medical Lead, Head of Unit Gynaecology, Clinical Services Director, Chief Medical Officer
Direct Reports:	N/A
Date Prepared/Updated:	21 st November 2024

Position Purpose

The role of the sessional Women's Health GP clinic is to support and assist the Women's Health teams, within the Division of Women's and Children's, in the provision of high-quality healthcare.

This role has been developed to deliver care within a multidisciplinary team to support the new women's health clinics.

The services that will be delivered in the Women's Health Clinics are:

Medical termination of pregnancy care within the Choices Clinic
Sexually Transmitted Infection (STI)
Cervical cancer screening as required
Contraception counselling/provision

This role operates in collaboration with experienced midwives / nurses to support continuity and consistency of patient care.

A waitlist clinic to provide first-line therapies and symptom management for women waiting for specialist gynaecology consultations. This clinic will support women with a range of non-urgent gynaecology conditions and facilitate access as required to additional services.

The successful candidate(s) will be supported by and report to the Reproductive Choices Medical Lead and the Head of Gynaecology Unit.

Building on existing clinical service, we seek to appoint GPs who demonstrate a specific interest and expertise in women's healthcare, specifically the domains listed above, within the ambulatory setting.

Business Unit Overview

Women's & Children's services are responsible for the provision of in-patient and ambulatory care across maternity, gynaecology, neonatal and paediatric services. The division provides both elective and emergency care. Women's & Children's aims to ensure the provision of safe, coordinated, person-centered, right care through a consistent, multi-disciplinary partnership approach. Women's & Children's

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

services at WH continues to expand and develop to meet the region's population growth, care complexities and demand. The service has seen significant growth over the last 4-5 years across all program areas in assisting to meet regional support requirements.

In 2023/24

- 7,205 total babies were born; on average 19-20 babies per day
- 6,589 babies were born at Sunshine Hospital
- 616 babies were born at Bacchus Marsh Hospital
- 1,594 neonates accessed Newborn Services
- 2,980 women accessed inpatient Gynaecology services
- 3,542 children were admitted
- 28,722 children were cared for in the Sunshine Hospital Emergency Department
- 167,065 episodes of ambulatory care were provided

The Division of Women's & Children's Services provides care across several sites within the Western catchment, predominantly at Joan Kirner Women's & Children's Sunshine Hospital, but also at Bacchus Marsh Melton and within the local community. The Division collaborates across a number of Divisions within Western Health and partners with external health services and community services to ensure the provision of Best Care.

The Division will continue to innovate and develop services and care options across Western Health to ensure Best Care for the community of Western Melbourne.

The Department of Obstetrics and Gynaecology has over 30 specialists and 24 registrars. Whilst most specialists are general obstetricians and gynaecologists, subspecialty services include gynaecological oncology, urogynaecology, maternal fetal medicine and infertility. There is a team of advanced laparoscopic surgeons and specialists with an interest in sexual and reproductive health, colposcopy, EPAS and adolescent gynaecology. We have over 55 theatre lists per month.
