

POSITION DESCRIPTION

Position Title:	Dispensary Pharmacist (Grade 2)
Business Unit/Department:	Pharmacy
Division:	Clinical Support & Specialist Clinics
Award/Agreement:	Victorian Public Health Sector (Medical Scientists, Pharmacists and Psychologists) Single Interest Enterprise Agreement
Classification:	Grade 2 – Year 1 to Year 4 (SX2 to SX5)
Reports To:	Senior Pharmacist - Dispensary Manager
Direct Reports:	N/A
Date Prepared/Updated:	27 April 2026

Position Purpose
<p>The Dispensary Pharmacist, Grade 2, is responsible for the provision of the dispensing services provided to inpatients and outpatients, including Western Health@Home patients. In addition, this position is responsible for assisting the Senior Pharmacist - Dispensary Manager in the co-ordination of dispensing services, patient education and operational management of the dispensaries. Services are provided in accordance with all relevant legislative, PBS and practice standard requirements.</p> <p>The role will require staff to be flexible with their working hours to meet the changing operations demands and can include being on call, working early start or after-hours shifts, on weekends and public holidays. Staff may be required to travel and work across the various Western Health campuses, programs, and partner organisations. Compliance with mandatory training as per Western Health Policy is a requirement of this role. Failure to complete this training within required timeframes may result in a suspension of duties until training is completed.</p>
Business Unit Overview
<p>The Western Health Pharmacy Department provides a comprehensive, professional pharmacy service to the wards and departments of Sunshine, Footscray and Williamstown Hospitals. The Pharmacy Department also provides pharmacy services to the Sunbury Community Hospital, Melton Day Hospital, Bacchus Marsh Hospital and Dame Phyllis Frost Centre.</p> <p>The objectives of the service are:</p> <ul style="list-style-type: none"> • To ensure safe, rational and cost-effective use of medicines • To provide up to date information and advice on medicines and medication therapy to patients and staff of Western Health • To offer effective and efficient procurement and distribution of medicines • To provide support for education and research

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- To advise prescribers on medication efficacy, side effects and safety, and where appropriate to advise on alternative therapies.
- To be proactive in recommendations for cost effective medication therapy.
- To provide medication counselling and information to all patients/carers and assist clinical pharmacists with discharge and leave prescription counselling.
- To liaise with the patient's community pharmacy regarding the preparation of the dose administration aid where required.
- To assist with checking the ward imprest services/ night store replacements provided by pharmacy technicians are performed accurately and efficiently
- To provide medicines information to medical, nursing and allied health staff.
- To comply with the Western Health dispensary procedures, Drug Formulary and medication policies.
- To ensure that PBS prescriptions dispensed fulfil Medicare requirements and comply with Western Health dispensing policies.
- To dispense the appropriate amount of medication for each individual patient as per relevant procedures.
- Regularly record pharmacy KPIs and workload statistics to ensure timely delivery of services
- Analyse dispensary KPIs and formulate improvement strategies where appropriate.
- To ensure that the relevant approvals have been obtained prior to dispensing medication.
- Act as the Senior Pharmacist – Dispensary Manager, when required during periods of leave and to perform the responsibilities of these roles in accordance with the relevant position description.
- To perform other duties as delegated by any member of the Pharmacy Senior Management Team.
- To promote medication safety both within the Pharmacy Department and to other health professionals.

Professional, Ethical and Legal Approach, including:

- Act in accordance with all Victorian and national pharmacy legislative requirements.
- Maintain performance standards consistent with AdPha Guidelines for Clinical Practice and Western Health Procedures.
- Ensure that the requirements of the Western Health Pharmacy policies, procedures and formulary are always adhered to by both medical and nursing staff.
- Comply with confidentiality obligations regarding patients, consumers and colleagues.
- Document pharmacy dispensing incidents in Riskman.
- Proactively seek information regarding customer needs and identify opportunities for quality improvement in dispensary services.
- Demonstrate the value of pharmacy services to our customers and effectively promote the service.
- Ensure that OH&S requirements for the dispensary are adhered.

Collaborative Practice, including:

- Provide support to other hospital pharmacists and health care providers as required.
- Liaise with other health professionals to maximise patient outcomes in relation to medication therapy.

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Contribute to the maintenance of dispensary Standard Operating Procedures
- Practice collaboratively as part of a multidisciplinary health care team and contribute to projects and initiatives.
- ensure that pharmacy staff are aware of Western Health procedures relating to pharmacy and supply of medications.
- Assist in providing structured training to all relevant pharmacy staff, including training for the application and maintenance of EMM initiatives across Western Health.
- Maintain affiliation with relevant professional bodies.

Lifelong Learning, including:

- To have up to date medication knowledge and work with other pharmacy staff to provide structured, contemporary and comprehensive training for pharmacy staff
- To participate in relevant conferences, seminars and related educational activities.
- Participate in departmental research, publication and presentation activities relevant to pharmacy
- To ensure pharmacists, intern pharmacists and students rostered to the dispensary are aware of procedures and their roles.
- Participate in medication evaluations and quality assurance activities and to support new initiatives
- To foster a learning environment and to promote teamwork for delivering pharmacy services.
- To assist in ensuring that all pharmacy staff adhere to Western Health and pharmacy specific policies and procedures.

Health Values, including:

- Ensure an excellent standard of service is offered by partnering with patients, consumers and the community at all levels of health care provision, planning and evaluation
- Demonstrate Western Health’s values when carrying out duties and in dealing with patients, consumers and colleagues
- Seek and act on opportunities to create Best Care
- Model positive and proactive attitudes and behaviours that support the dimensions of Best Care
- To ensure that processes are in place to facilitate the communication of patient medication requirements with carers and/or relevant health care providers in other hospitals and in the community to facilitate continuity of care.
- Assume financial responsibility within the role expectations of a dispensary pharmacist.
- Model the behaviours and actions outlined in the Western Health vision for Best Care
