

POSITION DESCRIPTION

Position Title:	Podiatrist
Business Unit/Department:	Allied Health - Western Health at Home
Division:	Operations
Award/Agreement:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2021-2026
Classification:	CM3 – CM6, AF19
Reports To:	Allied Health Manager, Podiatry and Diabetes Foot Service Coordinator
Direct Reports:	N/A
Date Prepared/Updated:	4 July 2025

Position Purpose

The Podiatrists at Western Health deliver acute, subacute and community-based care to patients with the aim of optimising health outcomes. The Grade 1 Podiatrist is responsible for the provision of timely and appropriate podiatry services to inpatients and outpatients across all campuses of Western Health. Multidisciplinary care is a focus of the department and the Podiatrist will be expected to work with a wide range of health professionals to achieve best outcomes for patients of the service. Clinical supervision and support is provided by senior podiatrists within the team.

The Podiatrist will be required to deliver call to all sites of Western Health such as Footscray, Sunshine and Williamstown Hospitals. The Grade 1 Podiatrist will work within both Allied Health and Western Health at Home to provide a high-quality targeted service designed to improve health outcomes for patients. These directorates work closely together and the Grade 1 Podiatrist may be involved in clinical activities within the Diabetes Foot Service, Inpatient and Outpatient Podiatry Services, home based care, community-based Rehabilitation or Dame Phyllis Front Centre as required.

Business Unit Overview

Operations Directorate

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

The Operations Directorate is split into several key work areas through which clinical and supporting programs are delivered. The Executive Director Operations is supported by Directors of the following divisions to deliver the operational agenda and targets set.

- Allied Health
- Clinical Support & Specialist Clinics
- Chronic & Complex Care
- Emergency, Medicine and Access

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Health Support Services
- Perioperative & Critical Care Services
- Cancer, Aged & Continuing Care Services
- Women's & Children's Services

It is the effective working of the teams of people in each of these areas that leads to the successful delivery of patient care and the discharging of our purpose of "Together caring for the West".

Allied Health

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions, discharge planning and patient centred care. Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including:

- Audiology
- Clinical Psychology and Neuropsychology
- Exercise Physiology
- Language Services
- Nutrition and Dietetics
- Occupational Therapy
- Pastoral Services
- Physiotherapy
- Podiatry
- Social Work
- Speech Pathology

Allied Health in Chronic & Complex Care provide integrated and continuing care by supporting patients discharged from hospital. This care is patient centred and improves patient flow through the tertiary health sector by fostering strong links with the community. A comprehensive range of clinical services are delivered in various locations within the western region including centre-based rehabilitation at Sunshine and Williamstown Hospital. Clinical care is also delivered in the patient's home and Residential Aged Care Facilities.

Western Health at Home

The Division of Western Health at Home provides a comprehensive range of inpatient, clinic based and home-based services. Our multidisciplinary workforce of over 1,000 employees includes medical, nursing, pharmacy, allied health and administration staff. Western Health at Home services provide care from all Western Health campuses and within patient's homes, including residential aged care, supported accommodation and the custodial setting. The division is rapidly expanding to meet the needs of the community through the delivery of innovative, integrated and patient centred care.

Western Health at Home services support patients across the continuum of care with a primary objective to support patients to live more healthy days at home. Our breadth of services, clinics and units work collaboratively to reduce avoidable hospital presentations and support early and sustainable hospital discharges. Through multidisciplinary service delivery, integration with primary care, research and clinical trials our division supports the detection, management and secondary prevention of chronic disease.

The divisions medical specialties include Renal, Endocrinology and Diabetes, Geriatric Medicine and the General Practice (GP) Integration Unit. Western Health at Home provides a range of acute and subacute services that deliver hospital level care within the comfort of a patient's home. These services include Hospital in the Home, Rehab@Home, GEM@Home, Community Based Transition Care Program and Dialysis@Home, which deliver healthcare that would otherwise be provided within an inpatient setting.

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

Western Health at Home's breadth of community-based care and specialty assessment clinics provide comprehensive care to support the management of chronic disease. The division has chronic dialysis units located at all Western Health main campuses and acute units at Sunshine and Footscray Hospital. Western Health at Home manages a primary healthcare service within Dame Phyllis Frost Centre, a maximum-security women's prison located in Melbourne's West.

Key Responsibilities

- Demonstrate a commitment to the patient 'Charter of Healthcare Rights'
- Comply with the expected scope of the role and standards of performance in the role as described by the relevant professional bodies/industry standards
- Maintain registration (as required) and report any changes or limitations on practice if applicable
