

POSITION DESCRIPTION

Position Title:	Community Liaison Nurse
Business Unit/Department:	Western Health at Home Connect
Division:	Western Health at Home
Award/Agreement:	Nurses and Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2024-2028
Classification:	Community Nurse (CN5) – YW7
Reports To:	Nurse Unit Manager
Direct Reports:	Na
Date Prepared/Updated:	21 January 2025

Position Purpose

The purpose of the Community Liaison Nurse (CLN) role is to deliver high-quality, patient-centered nursing care within the Western Health at Home Connect team. As a first point of contact for consumers and their families the CLN is first and foremost a consumer-focused role, tasked with offering over the phone support or dispatching clinicians to assess and treat consumers in the community/via telehealth. The CLN demonstrates expert knowledge and skills across the service continuum, including triage, liaison, phone support, task-based activities, assessment, care coordination, and case management. This role requires a comprehensive understanding of the service's scope to ensure effective operational management of the clinical environment.

The CLN works within a multidisciplinary team model, contributing to team-based care plans developed in collaboration with clients. The primary goal is to prevent unplanned and avoidable hospital admissions by improving the management of acute and chronic illnesses and/or psychosocial needs by coordinating with the multi-disciplinary team to assess/treat consumers in their homes, via telephone or video telehealth.

Additionally, the CLN supports the functions of Residential In-Reach, Community Nursing, and Remote Patient Monitoring, ensuring comprehensive care across various settings.

As a key member of the healthcare team, the CLN is at the forefront of providing high-quality nursing care to patients daily, maintaining clinical knowledge, pursuing further education, and ensuring continuous registration as a Registered Nurse in Australia.

Business Unit Overview

The Division of Western Health at Home provides a comprehensive range of inpatient, clinic based and home-based services. Our multidisciplinary workforce of over 1,000 employees includes medical, nursing, pharmacy, allied health and administration staff. Western Health at Home services provide care from all Western Health campuses and within patient's homes, including residential aged care, supported

Our Vision

Together, Caring for the West

accommodation and the custodial setting. The division is rapidly expanding to meet the needs of the community through the delivery of innovative, integrated and patient centred care.

Western Health at Home services support patients across the continuum of care with a primary objective to support patients to live more healthy days at home. Our breadth of services, clinics and units work collaboratively to reduce avoidable hospital presentations and support early and sustainable hospital discharges. Through multidisciplinary service delivery, integration with primary care, research and clinical trials our division supports the detection, management and secondary prevention of chronic disease.

The divisions medical specialties include Renal, Endocrinology and Diabetes, Geriatric Medicine and the General Practice (GP) Integration Unit. Western Health at Home provides a range of acute and subacute services that deliver hospital level care within the comfort of a patient's home. These services include Hospital in the Home, Rehab at Home, GEM at Home, Community Based Transition Care Program and Dialysis at Home, which deliver healthcare that would otherwise be provided within an inpatient setting.

Western Health at Home's breadth of community-based care and specialty assessment clinics provide comprehensive care to support the management of chronic disease. The division has chronic dialysis units located at all Western Health main campuses and acute units at Sunshine and Footscray Hospital. Western Health at Home manages a primary healthcare service within Dame Phyllis Frost Centre, a maximum-security women's prison located in Melbourne's West.

Key Responsibilities

Leadership

- Communicates information and expectations clearly and concisely in a way that builds effective and collaborative working relationships with others.
- Maintains a professional demeanour and serves as a role model for all nursing staff, both as a clinician and in line with behavioural expectations.
