

POSITION DESCRIPTION

Position Title:	Endocrinology Registrar (Advanced Trainee)
Business Unit/Department:	Endocrinology & Diabetes Unit
Division:	Western Health at Home
Award/Agreement:	Doctors in Training (Victorian Public Health Sector) (AMA Victoria/ASMOF) (Single Interest Employers) Enterprise Agreement
Classification:	HM25 to HM30
Reports To:	Chief Medical Officer; Clinical Department Head
Direct Reports:	Interns and Hospital Medical Officers (HMOs) in department
Date Prepared/Updated:	16/07/2026

Position Purpose

This is a fixed-term leave cover position accredited as core clinical year training position in endocrinology. It provides clinical experience in the assessment, investigation and management of adults with endocrinology disorders. The role is for 5 months with the first 3 months being full time and then a further 2 months part time at 0.5 FTE.

The trainee will participate in the provision of outpatient and inpatient endocrinology services at Western Health, Footscray and Sunshine and two days a week will be based at Ballarat Hospital (Grampians Health). Additionally, one half day a week will be spent working at Melton in a community endocrinology clinic under the supervision of Western Health endocrinologists. The trainee will also further their clinical experience in diabetes and metabolic bone disease and the trainee will participate in a short clinical research project at Western Health.

The role of the Registrar is to provide clinical management of patients and undertake administrative duties for the Unit under the supervision and direction of the Department Head of Unit or Consultant (Western Health and Grampians Health) and to supervise and mentor junior medical staff.

Business Unit Overview

The department of Endocrinology & Diabetes is a busy subspecialty unit of Western Health serving more than 6,000 outpatients per year and also having inpatients and a busy Consultation service at both Footscray and Sunshine campuses. Grampians Health provides a broad range of medical care to people across the Grampians region.

The Medical Workforce Unit is responsible for the recruitment, administration, education & training and support of junior medical staff at Western Health.

The Medical Education Unit is responsible for the education and training of prevocational medical staff at Western Health.

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

The relevant Clinical Division is responsible for the provision of inpatient and outpatient clinical services by a multidisciplinary team. Unit Handbooks detailing unit structures, key staff, services provided and other specific unit information are provided to junior medical staff at the commencement of their rotation within each unit.

Key Responsibilities

- Participate in on-going assessment of competencies via college assessment forms
- Work under the supervision and support of the Head of Unit or Receiving Consultant to further develop general clinical and decision-making skills
- Perform unit duties as delegated by the Unit Head or Receiving Consultant in accordance with Western Health policies and procedures and relevant legislation
- Ensure notification to the appropriate consultant of patients referred to the Department, and provision of initial assessment of referred patients
- Ensure quality patient care via clinical assessment, admissions and development of management plans
- Provide day to day clinical management of patients and ensure attendance at ward rounds
- Assume responsibility for patient care in accordance with the care model of the ward/unit, ensuring that required clinical procedures are performed with appropriate training and supervision
- Initiate and provide interpretation of clinical investigations
- Accurately reflect the patient's requirements, outcomes or events within prescribed Western Health documentation, ensuring all legal requirements are met in regards to legibility of content and identity of reporter in accordance with Western Health policies and procedures
- Participate in the development of discharge plans that reflects the needs of patients and their significant others and demonstrates understanding of the role of community providers. Assume responsibility for communication with community providers
- Provide supervision for the clinical activities of the junior medical staff on the unit, according to the level of experience of the individual
- Provide clinical handovers to covering Registrars
- Ensure own health and well-being and seek assistance if impairment in physical or mental health is impacting on job performance
- Work collaboratively and respectfully with multi-disciplinary team members to achieve desired outcomes for patients through effective communication and attendance and participation in unit and site clinical meetings
- Exchange and share information from participation in seminars and conferences with colleagues via in-services, presentations, education forums, team meetings, etc.
- Demonstrate a caring and empathetic approach towards patients at all times
- Participate and contribute to improvement of policies, procedures and protocols and identify areas of improvement in clinical practice
- Undertake ongoing self-directed learning by participation in continuing education activities and attendance at clinical meetings, including any mandatory training programs
- Assist in collection of data for audit purposes, and participate in research activities undertaken within the unit where required
- Coordinate and participate in the teaching of junior doctors and medical students
- Cover other Units as part of the after-hours roster or as requested by the Medical Workforce Unit
- Perform other duties as delegated by the Unit Head or Unit Registrar.

In addition to the key responsibilities specific to your role, you are required to deliver on the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.

Key Working Relationships

- Clinical staff including medical, nursing, and allied health
- Patient support and administrative staff
- Medical Workforce Unit
- Medical Education Unit
