

POSITION DESCRIPTION

Position Title:	Physiotherapist
Business Unit/Department:	Physiotherapy
Division:	Allied Health
Award/Agreement:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement
Classification:	Grade 1
Reports To:	Allied Health Manager – Physiotherapy & Exercise Physiology; Grade 4 Physiotherapists; Senior Clinician Physiotherapist
Direct Reports:	N/A
Date Prepared/Updated:	10 October 2025

Position Purpose

The Grade 1 Physiotherapist provides best care to patients and clients by effectively using their clinical skills; communication and interpersonal skills; commitment to learning; and collaboration with the multidisciplinary team. The Grade 1 Physiotherapist is expected to consult an experienced clinician in unfamiliar situations or when problems arise; work flexibly; and participate in regular supervision and professional development.

Grade 1 Physiotherapists have opportunities for rotations across the continuum of care, through inpatients, outpatients and community settings across the Sunshine, Footscray, Williamstown and Melton campuses. Rotations include, but not limited to, ICU, Emergency Department Care Coordination, inpatient and outpatient Orthopaedics, Surgery, Medicine, GEM, Women's Health, Paediatrics, Aquatic Physiotherapy, Neurological Acute and Rehabilitation services, Community Based Rehabilitation and Inpatient Rehabilitation

Regular weekend and Public Holiday work is required and the frequency is dependent on the rotation. This work is remunerated according to the Health Professionals Award.

Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions,

Our Vision

Patients – Employees – Community – Environment

discharge planning and patient centred care. Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including:

- Audiology
- Clinical Psychology and Neuropsychology
- Exercise Physiology
- Language Services
- Nutrition and Dietetics
- Occupational Therapy
- Pastoral Services
- Physiotherapy
- Podiatry
- Social Work
- Speech Pathology

Key Responsibilities

- Demonstrate a commitment to the patient 'Charter of Healthcare Rights'
- Comply with the expected scope of the role and standards of performance in the role as described by the relevant professional bodies/industry standards
- Maintain registration (as required) and report any changes or limitations on practice if applicable
- Comply with all Western Health policies and procedures
- Deliver high quality person centred interprofessional care in line with the "Best Care" framework
- Ensure that workload statistics, and other required information is entered in a timely and accurate manner as per organisational requirements
- Participate in research/evaluation
- Contribute to the evaluation of guidelines in immediate work area
- Plan, prepare, perform and deliver effective and individualised assessment and interventions, demonstrating clinical reasoning and core clinical competencies, including use of relevant assessment tools, treatment methods, and case management skills
- Perform evidence based clinical services using a person centred approach
- Demonstrate organisational skills and efficient time management to appropriately evaluate, prioritise and complete workload
- Attend and participate at relevant team/service meetings in relation to patient care
- Demonstrate open and effective communication (verbal, non-verbal, written and electronic) with consumers, other staff and service providers
- Have a clear understanding of the service and professional role within the service
- Participate in relevant committees, working groups and meetings as requested
- Demonstrate knowledge of resources relevant to work area
- Contribute to a culture that promotes effective teamwork, encourages cohesion and ensures staff feel valued and contributions are acknowledged
- Hold accountability for own actions and seek guidance and support from appropriate employees when limited by own skills and experience
- Comply with confidentiality obligations with regard to patients, consumers and colleagues
- Participate in learning that will enhance personal knowledge and continuing professional development
- Consult with senior staff when dealing with difficult situations
- Demonstrate ability to identify a problem within a service and take it to a higher level for resolution
- Where designated, take a support role in student education that is timely, flexible and responsible
- Actively participate in regular clinical supervision, demonstrating ongoing development of clinical skills and reflective practice as identified in supervision plan
- Perform other duties as directed

In addition to the key responsibilities specific to your role, you are required to deliver on the [WH AH Capability Framework](#) and the [Key Organisational Accountabilities](#) which are aligned with the Western Health strategic aims.
