

POSITION DESCRIPTION

Position Title:	Consultant - Plastic and Reconstructive Surgeon
Business Unit/Department:	Plastic and Reconstructive Surgery
Division:	Surgery, Endoscopy & Anaesthesia
Award/Agreement:	<i>Medical Specialists (Victorian Public Health Sector) (AMA Victoria/ASMOF) (Single Interest Employers) Enterprise Agreement</i>
Classification:	HN16 – HN59
Reports To:	Head of Unit
Direct Reports:	Junior medical employees
Date Prepared/Updated:	19 August 2026

Position Purpose
The Consultant Plastic and Reconstructive Surgeon is responsible for providing high-quality clinical care to patients across Western Health services, supervising and training junior medical staff, and contributing to the achievement of Western Health's strategic priorities.
Business Unit Overview
The Perioperative Service provides both elective and emergency surgical procedures, with all clinical units participating in an on-call service. Services are delivered across the Footscray, Sunshine, Williamstown and Sunbury campuses and encompass both adult and paediatric patient populations. The Plastics Service is led by an appointed Unit Head who reports to the Director of Surgery. Multidisciplinary teams are aligned according to specialty and provide continuity of care from the operating theatre through to the ward environment. The designation of "home" theatres and wards ensures that patients receive high-quality care from staff with specialised skills and expertise in their respective areas.
Key Responsibilities
- Assume responsibility for quality patient care in accordance with the care model of the ward/unit, ensuring that clinical procedures are performed in accordance with Western Health policy and procedure - Accurately reflect the patient's treatment plan, requirements, outcomes or events within prescribed documentation to support ongoing care, communication and to ensure that all legal requirements are met in regard to legibility of content and identity of reporter in accordance with Western Health policies and procedures

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment

- Analyse and use data to guide decisions and evaluate outcomes
- Participate in resolving problems in care and to ensure that the Unit/ Department Head is aware of relevant issues and problems
- Participate in the development of discharge plans that reflects the needs of patients and their significant others and demonstrates understanding of the role of community providers
- Ensure continuity of care by communicating appropriately with other practitioners including community general practitioners
- Ensure awareness of clinical experience and proficiency of junior medical staff delegated to deliver care and provide supervision for and be accountable for the care delivered
- Provide consistent and appropriate leadership and supervision to Junior Medical Staff
- Ensure that the care of all patients is handed over or other suitable arrangements for follow up, including follow up of results is in place when not on call
- Lead by example in the delivery and promotion of high quality clinical care to all patients
- Participate in the development, implementation and revision of treatment protocols and clinical guidelines to promote and ensure best practice standards
- Actively contribute to Western Health's ongoing development through involvement in hospital wide activities and national and/or international organisations
- Participate in service planning as requested by the Unit/ Department Head and Clinical Service Directors including the development and setting of targets, resource requirements and improvement priorities for the service agreement
- Actively participate in departmental or organisational wide quality and credentialing processes, including clinical work review groups
- Participate in developing department and personal priority goals and objectives consistent with the mission, philosophy and strategic plan of the organisation
- Ensure that any dealings with the media are approved and in accordance with policy, procedure and privacy legislation
- Contribute to creating and maintaining a work climate which is conducive to positive morale and employee growth, development and retention
- Ensure own health and well-being and seek assistance if impairment in physical or mental health is impacting on job performance
- Work collaboratively and respectfully with multi-disciplinary team members to achieve desired outcomes for patients through effective communication and attendance and participation in unit and site clinical meetings
- Exchange and share information from participation in seminars and conferences with colleagues via in-services, presentations, education forums, team meetings, etc.
- Build networks and participate in benchmarking to seek and share information to assist in developing best practices
- Always demonstrate a caring and empathetic approach towards patients
- Participate and contribute to improvement of policies, procedures and protocols and identify areas of improvement in clinical practice.
- Participate in hospital provided professional development activities and keep up to date with relevant developments in clinical and hospital practice.
- Participate in clinical teaching and professional development of junior medical staff, medical students and students of all health professions and disciplines, including involving students in clinical care
- Maintain personal qualifications in accordance with continuing certification requirements of relevant medical college or other body
- Comply with Western Health financial systems, policies and processes
- Maintain a high and accurate level of clinical and financial recording and ensure involvement in medical document audits
- Participate in departmental strategic and financial planning
- Participate in the development and monitoring of financial risk reduction and identify and implement strategies for cost control
- Identify business opportunities through available funding streams and develop and prepare business cases to optimise funding opportunities and business development
- Be accountable for length of stay meeting, exceeding state averages and for waiting list management
