Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions, discharge planning and patient centred care. Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including:

- Audiology
- Clinical Psychology and Neuropsychology
- Exercise Physiology
- Language Services
- Nutrition and Dietetics
- Occupational Therapy
- Pastoral Services
- Physiotherapy
- Podiatry
