

POSITION DESCRIPTION

Position Title:	Physiotherapist (Cardiorespiratory)
Business Unit/Department:	Allied Health Physiotherapy
Division:	Allied Health
Award/Agreement:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement
Classification:	Grade 3 – Year 1 to Year 4 (VB7 to VC1)
Reports To:	Allied Health Manager – Physiotherapy and Exercise Physiology, Grade 4 Physiotherapists
Direct Reports:	Grade 1 and 2 Physiotherapists and Allied Health Assistants
Date Prepared/Updated:	5 February 2025

Position Purpose

The Grade 3 Physiotherapist (Cardiorespiratory) provides expert clinical care to ensure excellence and best practice in patient care by using their advanced clinical skills for the assessment and management of patients. In addition to this, the senior clinician physiotherapist is responsible for providing clinical leadership; clinical supervision of Grade 1 and 2 physiotherapists; teaching and training undergraduate and post graduate physiotherapy students; delivering quality improvement activities to improve patient outcomes; and acting as a key liaison in their unit/teams. This role incorporates operational duties, including but not limited to team leadership and management, clinical governance, guideline development, and service planning and evaluation. Opportunities to participate in clinical research and education also exist.

As a clinical leader, the senior clinician physiotherapist will work collaboratively with key stakeholders to assist Western Health Physiotherapy department to achieve and implement Best Care. The physiotherapist will be expected to maintain their currency of knowledge and skill in their specialty area and ensure an evidence-based approach to patient management.

Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions,

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment
