

POSITION DESCRIPTION

Position Title:	Occupational Therapist
Business Unit/Department:	Occupational Therapy
Division:	Allied Health
Award/Agreement:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement
Classification:	Grade 4 – Year 1 to Year 4 (VG14 to VG17)
Reports To:	Allied Health Manager - Occupational Therapy
Direct Reports:	Grade 3 and Grade 2 Occupational Therapy staff, as allocated
Date Prepared/Updated:	13 May 2024

Position Purpose

The Grade 4 Occupational Therapist is a peer recognised clinical expert, with responsibility for leadership and development of excellent occupational therapy practice, research, teaching, supervision and mentoring across Western Health.

They will:

- Oversee a clinical area;
- Work collaboratively with key stakeholders throughout the organisation, to facilitate the development of the occupational therapy service to deliver excellence in patient care, clinical education, professional supervision, evidence based practice and research, and service development;
- Take a lead role, across Allied Health, for a specific organisational priority area;
- Perform other tasks and responsibilities, within scope of practice, as required.

Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and CARES values. Allied Health involvement is pivotal to efficient and effective multidisciplinary team functions, discharge planning and patient centred care. Western Health employs a range of Allied Health disciplines, each with unique specialist tertiary training and skills, including:

- Audiology
- Clinical Psychology and Neuropsychology
- Exercise Physiology
- Language Services
- Nutrition and Dietetics
